

Organised by edcom and EACA

The EACA International Summer School is an annual, week-long school aimed at young professionals who work in advertising and commercial communications. The participants are challenged, inspired and driven by the best trainers and practitioners in the industry.

How does the Summer School work?

Since its launch in 2012:

Almost **150** young professionals

From over **15** countries

Have attended the Summer School

Why do young professionals love the Summer School?

"Improved my pitching and presentation skills"

"Taught me how to work in an international team"

"Given me greater confidence"

The Summer School

has...

"Inspired me to think differently"

"Enriched my professional network"

"Challenged me to apply my skills in my work"
